12 Month • 1 Year Questionnaire

On the following pages are questions about activities children do. Your child may have already done some of the activities described here, and there may be some your child has not begun doing yet. For each item, please check the box that tells whether your child is doing the activity regularly, sometimes, or not yet.

Important Points to Remember:

√	Be sure to try each activity with your child before checking a box.
⊴	Try to make completing this questionnaire a game that is fun for you and your child.
√	Make sure your child is rested, fed, and ready to play.
√	Please return this questionnaire by
