

Vanderbilt Assessment Scale, Follow-up: ADHD Toolkit Teacher-Informant Form

Child's name: _____ Teacher's name: _____

Today's date: _____ School: _____ Gr: _____ Teacher's fax number: _____

Time of day you work with child: _____

Directions: Each rating should be considered in the context of what is appropriate for the age of the child you are rating and should reflect that child's behaviors since the last time you rated his or her behaviors. **Please indicate the number of weeks or months you have been able to evaluate the behaviors:** _____

This evaluation is based on a time when your child: Was on medication Was not on medication Not sure

Behavior	Never (0)	Occasionally (1)	Often (2)	Very Often (3)
1. Does not give attention to details or makes mistakes that seem careless in schoolwork				
2. Has difficulty sustaining attention on tasks or activities				
3. Does not seem to listen when spoken to directly				
4. Does not follow through on instructions and does not finish schoolwork (not because of oppositional behavior or lack of comprehension)				
5. Has difficulty organizing tasks and activities				
6. Avoids, dislikes, or does not want to start tasks that require sustained mental effort				
7. Loses things necessary for tasks or activities (eg, school assignments, pencils, books)				
8. Is easily distracted by extraneous stimuli				
9. Is forgetful in daily activities				

For Office Use Only
2s & 3s ___/9

10. Fidgets with hands or feet or squirms in seat				
11. Leaves seat when remaining seated is expected				
12. Runs about or climbs too much when remaining seated is expected				
13. Has difficulty playing or engaging in leisure activities quietly				
14. Is on the go or often acts as if "driven by a motor"				
15. Talks excessively				
16. Blurts out answers before questions have been completed				
17. Has difficulty waiting in line				
18. Interrupts or intrudes in on others (eg, butts into conversations or games or both)
